All,

Attached for your review is the First Notice for renewal of ICR Number 0220.13. I have also attached a copy of the Draft Supporting Statement that will not be published in the FR, but will be uploaded to the docket (Docket ID number EPA-HQ-OW-2005-0023).

Please send your comments to Tomeka by early Tuesday Morning so she can make any adjustments and finalize the package for Tom Wall's review and signature next week while we are all out. Tomeka is only in on Tuesday.

Simma we will need an e-mail saying OGC concurs on the FRN.

Thank you for your help and quick review. We are trying to get this to OEI no later than the week of April 17 as they are backlogged on everything and officially we need to get it to them by April 28.

Thank you, Kathy
